Calling All Gardeners

And Friends of Gardens

SPRING GREETINGS! The primordial urge is upon us,—for freedom—for self expression—for mental escape—for the enjoyment of friendliness and happy achievement. They used to call it “spring fever” and prescribed sulphur and molasses. Now, we, who have grown wiser perhaps, will cure it with a garden.

FISHER FLOWER FARM is ready to supply your needs, hardy plants of all kinds, the choicest and most beautiful annual plants for garden and window box, herb and vegetable plants, and a dependable collection of vigorous everblooming roses.

Our service includes trained and experienced consultants to help you with landscape plans, garden designs, and maintenance problems. If you will write or telephone we shall be glad to send a garden consultant to discuss changes and improvements for your home grounds. We have experienced workmen to execute landscape plans and to plant gardens.

TERMS: All prices in this list are f. o. b. Vergennes, Vermont. With parcel post orders please add ten per cent to the value of the order to cover postage. If you are not entirely satisfied please notify us so that we may correct any mistake. Although we are not responsible for cultural conditions after our plants and bulbs are delivered we wish to help in every possible way to make your garden a success.
